ARCHITECTURAL ASSISTANT

Package **£12K + Tuition Fees for Year**

'Pentangle is a medium sized multidisciplinary practice with a satellite office based in central Brighton, This office is home to the Architectural division of the company and also provides engineering support to the head office in Hertfordshire and clients across the country.'

We are looking for a placement student to start in July 2009 to assist us in our planned growth and continuing workload. The chosen candidate will be assisting in office duties, generating CAD drawings, site surveying and assisting the design team with planning applications and building regulations submissions as well as liaising with clients, local authorities and contractors.

Applicants will be studying 'Architectural Technology' or 'Building Studies' to degree level.

The winning applicant will have:

- Knowledge of current legislation (Building Regulations)
- A good appreciation of construction methods and building services
- Good CAD skills
- Good numeric / literary and computer skill
- A professional manner and good communication skills

Candidates will be given appropriate training and assistance to learn skill s which they can transfer to their final year of study and use throughout their career.

Applicants shall provide a CV and covering letter to the address below or by email to john.smith@pcel.co.uk by the 31st January 2009. All applications should be referenced: NSBR09

The covering letter shall give a brief explanation of your current subjects and predicted grades together with your future career goals.

Interviews will take place during early March 2009.
